Life,Love & The Pursuit of Happiness: An Autobiography in Rythem S. Kristopher Byrd

A book of poetry. But not your average rhyme and reason poetry. These poems describe life as seen and as experienced by the poet,his friends and family. The poems are in your face, gritty and at times extremely raw. The "Pursuit of Happiness" describes women as viewed by guys just out for a good time, in language so colorful, it would make a rapper blush. The chapter on "LOVE" is the total oppisite and the focus is on relationships. Pursuit of Happiness is about the struggles of life, as we each search for happiness in our own way and sometimes in the wrong places. It is a book of poetry about life as seen through the eyes of the author.
