After witnessing the sufferings that take place on Earth one Angel begins to question God's intentions, but the silence of God sends the Angel into a rage and an unforgettable spiritual journey that can only be resolved in the mystery of humanity. What seemingly unforgivable acts is one Angel willing to do to unravel the ultimate truth of existence? In this compelling novel, Lucifer slowly develops a rage against God concerning the suffering of life on Earth. As humans evolve and the Angels become divided, Lucifer challenges God, tempts God's messenger, and wages a battle in the city in the Between. In a desperate attempt to discover the truth, Lucifer takes birth among the humans where he is pursued by a spiritual Master. Carrying the weight of his rage and fury the Angel treads through the heavens and hells and the drama of the human condition until he is forced to battle the Christ within.
