Her daughter is the most important person in Lacey Gibson's world. So when the girl disappears, Lacey will do *anything* to find her. Even track down a man she hasn't seen in sixteen years—U.S. Marshall Mason Stone, the father of her child.

Mason was perfectly content with his life until Lacey arrived. Her confession that their daughter—the daughter he didn't know they had—is missing shakes his carefully controlled world. But there's no time to adjust as they race to find their child, catch the kidnappers...and learn whether they can have a second chance at happily-ever-after.
