Samantha has always been hot for the mature man that raised her best friend. Her lusty obsession with him fueled years of fantasies growing up.

But when **fantasy and reality collide** she discovers things don't always go like she imagined.

Mr. Colt's approach is **heavy handed** and Samantha finds herself in a minefield of desire that **tans her bottom** - and melts her panties.

(NOTE: This book contains young women/older men, spanking, domination, submission, and palatable lust. Removing panties before reading: highly recommended. All characters are over the age of 18. It is intended for mature readers.)
