Murder in the Boonies (The Sleuth Sisters Mysteries) (Volume 3) Maggie Pill

The abrupt disappearance of the renters at the Sleuth Sisters' family farm presents Faye with the chance to do something she's always dreamed of: start a draft horse rescue. The circumstances surrounding the move are strange, though, and Faye, Barb, and Retta begin to suspect that at least some of the family members didn't leave voluntarily. Balancing a menagerie of animals with tracking down clues as to where the man, woman, and three daughters might have gone, the sleuths uncover a series of surprises that lead to dangers they never anticipated. As those dangers grow, the sisters—and everyone around them—are plunged into deadly peril.
