Nibble's Guide to Caring for Your Hamster (Young Explorer: Pets' Guides) Anita Ganeri

Titles in the Pets' Guides series teach young readers how to care responsibly for their chosen pet. However, in a unique spin, each book is written from the point of view of one of the animals themselves, thus also allowing the books to be used to teach perspective. In this book, Nibble the Hamster reveals how readers should go about choosing a pet hamster, what supplies they will need, how to make a new hamster feel at home, and how to properly care for a pet hamster, including feeding, exercising, and keeping a hamster cage clean. Text in the book is accompanied by clear, labelled photographs to further reinforce key concepts.
