## **Poor Folk** Fyodor Dostoyevsky

Varvara Dobroselova and Makar Devushkin are second cousins twice-removed and they live across from one another on the same street in terrible apartments. Devushkin's is a portioned-off section of the kitchen, and he lives with several other tenants such as the Gorshkovs, whose son groans in agonizing hunger through most of the story and eventually dies. Devushkin and Dobroselova exchange letters attesting to their terrible living conditions and the former frequently squanders his money on gifts for her.
