The year is 1945. The Third Reich is on the verge of collapse, assaulted by enemies on all fronts. With the fall of Nazi Germany, four men--war criminals and founding members of the shadowy ODESSA organization--hatch a plan to do the unthinkable: establish a Fourth Reich, this time on American soil. Nearly 70 years later, typical suburban teenager Victor Levvy discovers a hidden tunnel beneath his backyard Tampa Bay swimming pool. Unwittingly, he attracts the attention of the ODESSA organization, the same World War II era secret society that now threatens the world with its plans for world domination. Wanting to explore further, Victor enlists the help of Alex Rikgher, his best friend, and Gwen Sovfolis, his soon-to-be girlfriend. Before long, they are isolated and hopelessly lost beneath the surface of the earth, only to find themselves in a sprawling underground paradise, filled with its own shadows, secrets, and a dark past that haunts its very streets. In an epic tale of adventure, romance, and the gut-wrenching will to survive, this story will leave readers breathless with every twist and turn of the plot, and will leave them begging for more as they read its final page...
