A leading Australian trader shows you how to succeed on the sharemarket with proven charting techniques. Now completely revised with the latest trading information, this revised edition of bestselling author Louise Bedford's *Charting Secrets* is the perfect guide for beginners and experienced traders and chartists alike. Unlike other books on trading, you'll find no get-rich-quick schemes here. Bedford believes that successful trading is a matter of study and hard work, just like any other job. With this in mind, *Charting Secrets* serves as a workbook that will have you practising what you read and mastering charting techniques as you go. The book begins with explanations of charting patterns and methods and includes sample charts for you to practise on, as well as step-by-step solutions that allow you to compare your results to hers. Features practical charting advice and sample charts that let readers learn techniques as they read. Covers charting basics, as well as candlestick charting and system development, macro reversal and continuation patterns, trading psychology, and much more. Written by a bestselling author known as one of Australia's most compelling speakers on trading. Whether you're new to the trading game or an experienced trader looking to polish your charting techniques, *Charting Secrets* will show you how to turn potential into profit.
