Compounding Sterile Preparations Video Training Program Companion Workbook E. Clyde Buchanan

This companion workbook contains exercises related to content featured in the Compounding Sterile Preparations Video Training Program. Students can test their knowledge of current sterile product preparation guidelines, safety issues, and science issues so that they can confidently identify risk levels; prepare sterile products from each risk level; and identify clean room requirements, personnel requirements, and quality assurance practices. New to this edition: Revisions reflect updated requirements for anyone creating and/or working with sterile preparations and products as per USP General Chapter Pharmaceutical Compounding–Sterile Preparations.
