Dreams Take Us Everywhere is the third volume of the series, they get more detailed and exciting as we become dream experts. The odyssey-like poem takes the reader on a journey through magical lands with life size sandcastles, tea parties, shark soccer, and Egyptian pyramids to name a few. A worthy adventure for dreaming with your child or just creating more magical dreams in your own imagination. First created as a way to ease separation when I was away from my daughter, she now knows we always sleep under the same moon and we can meet in our dreams. Your child may be in the next room or on an elsewhere adventure, the results are the same...magic.
