On Foot in the Pennines: 38 Walks in the Peak District, the Yorkshire Dales, the North and South Pennines and Northumberland Roland Smith

From the misty peaks of Derbyshire to the craggy heart of the Cheviots, the Pennines offer a wonderful diversity of prime walking country. For all walkers who love to explore these areas, author and walker Roland Smith presents 38 routes, promising many enjoyable days among the Pennine hills. The areas covered are the north and south Pennines, the Peak, the Yorkshire Dales and Northumberland. There are gentle riverside strolls in the limestone dales of the white peak, stamina-sapping rambles across wild Swaledale moorland, and many other varied routes to suit different conditions and abilities. The character of each route and the flavour of the landscape are captured by the evocative photographs of John Cleare and there are maps, mileages and gradings for each walk.
