## **Solo Faces: A Novel** James Salter

This novel exposes the obsession that draws climbers away from civilization to test themselves against the most intimidating and inaccessible mountains in the world.

James Salter captures the adventure of Gary, a roofer of churches, who feels restrained by conventions and flat ground. Unable to find happiness in his life, he travels to southern France to climb to the summits of the Alps. He finds peace and happiness within himself soon after. But when fellow climbers are trapped on the mountain, he makes a daring one-man rescue during a storm that brings him the notice he has always shunned. But the glory quickly dissipates and he returns to the anonymity he prefers, having thoroughly satisfied himself.
