This tell-all volume helps the home cook not only select the fish or shellfish from the market, but also then turn it into a delicious meal in a few easy-to-follow steps. The book is organized by type of seafood, so if, say, snapper is not available that day, a quick substitution can be made with catfish, flounder, or whatever similar fish is freshest. The author's tips for selection, preparation, and cooking techniques (including poaching, steaming, baking, grilling, frying, and roasting) allow the reader to cook with confidence. With more than 250 outstanding recipes, from appetizers and main courses to great classic side dishes, this latest addition to the *Big Book* series means nobody has to be chicken of the sea.
