The Practice Revolution: Getting great results from the six days between lessons Philip Johnston

Inside the Practice Room: What works, what doesn't, what really happens, and how to fix it. Instead of the traditional obsession with how much practice students do, The Practice Revolution looks at how students practice in the first place. With over 320 pages of what works, what doesn't and why, it's the most ambitious, comprehensive and approachable guide to practicing ever undertaken, aiming to turn professional music teachers into nothing short of practice experts...

...so they can help their students become practice experts too.

Also by the same author: *The Dynamic Studio (just released)*, *Practiceopedia* and *Scales Bootcamp*.
