I, Paul . . . Albert C Simmons

Paul, in I, Paul...God's Ambassador to the Gentiles, relates the story of his amazing conversion, life, ministry, and martyrdom in a partially fictionalized, chronological, first person narrative. The fiction is utilized only to fill in the huge gaps of information Luke fails to include in Acts. The story is supplemented with historical, geographic, archeological, and political information to give the reader an idea as to what the early Christian apostles faced in spreading the gospel of Jesus Christ. The story includes a theory as to how Paul developed the theology that Western Christianity clings to today.
