An excerpt from the book:

As an ISTJ, you possess a variety of remarkable strengths. You are honest, dedicated, and loyal. Identifying your natural strengths will give you the opportunity to improve and nourish them.

1. Honesty

Integrity is at the core of everything that you do. As a result, honesty is a trait that you highly value. You find no importance in white lies and mind games. Instead, you believe that being honest is the only way to handle any situation. This goes for all aspects of your life, including relationships and in the workplace. This is a rare quality these days, and it makes people like and respect you even more.

2. Commitment and Dedication

You are extremely committed and dedicated. This applies to all aspects of your life as well. Whenever you set your mind to something, you make sure that you see it to fruition. Not only does this make you invaluable in the workplace, it also helps you build stable relationships with others. You do not make promises you cannot keep. When you do make a promise, it is certain that you will follow through on it. You are a person of your word. You would much rather lose sleep and exhaust your resources than fail to deliver on something you committed to. When it comes to your personal relationships, you honor your commitments. You take your relationships very seriously and exert a lot of effort to make sure that they work.
