LA PROSTATA Yosh Taguchi

El libro del Dr. Taguchi es un tesoro poco frecuente, un trabajo autorizado sobre un tema importante realizado por un reconocido experto, cuya lectura es además entretenida. Los mayores de 40 años lo leerán con avidez. - Frederick H. Lowy , MD, Rector y Vice Canciller, Concordia University Durante mucho tiempo un tema tabú, la mera mención de la palabra próstata es suficiente para que los hombres se encojan de miedo. ¿Se debe ello a que la próstata puede ocasionar más angustia, más deterioro emocional, más amargura y rabia que cualquier otra parte de su anatomía? ¿Es miedo, vergüenza, ignorancia referida a una glándula del tamaño de una nuez? Cualquiera que sea la razón, algunos individuos están más inclinados a ignorar los problemas potenciales de la próstata que a buscar la recomendación del médico. En La Próstata, el eminente urólogo Yosh Taguchi aborda los problemas, tratamientos, y preguntas más frecuentes sobre la próstata en un lenguaje claro y sincero. Los varones y sus parejas aprenderán sobre: La anatomía y función de la próstata. La hiperplasia benigna de próstata (HBP), la prostatitis y el cáncer. Las alternativas de tipo quirúrgico, incluyendo la prostatectomía radical que conserva el vigor sexual. Las alternativas de tipo médico, incluyendo de los medicamentos y las dosis aconsejables. La terapia térmica y la crioterapia. Las medidas de tipo preventivo. El control del dolor. Con su planteamiento exhaustivo y de gran sensibilidad, La Próstata debería ser de lectura obligatoria para cualquier individuo preocupado por su salud. Yosh Taguchi, ejerce como urólogo en el Royal Victoria Hospital de Montreal, y fue Director del Programa de Urología en la Universidad de McGill.
