The world moves with him....

Griffin Chandler.

He's on his own wavelength, creator of his own destiny. He took that drive and accomplished his dreams on the court. He made the world see him, adore him as much as I do.

And he adores me, too. He does so through the good, the bad, and even the very worst that causes me to lose myself. He found me once, though. In a way, I also found him, too, but am I strong enough to keep him?

Is he strong enough to keep me?
