Planet X Nibiru: Slow - Motion Doomsday Robert T. Russell

"There is a mill which grinds by itself, swings of itself, and scatters the dust a hundred versts away. And there is a golden pole with a golden cage on top which is also the Nail of the North. And there is a very wise tomcat which climbs up and down this pole. When he climbs down, he sings songs; and when he climbs up, he tells tales." Legend of the Ostyaks of the Siberian Irtysh River Valley The "Winged Disk" and the "Thunderbird" are identical symbols, and they are found all over the world, particularly in the Northern Hemisphere, with the Christian Cross being the symbol's latest incarnation. Such identical symbols could not have just spontaneously originated in so many different cultures and languages. These images therefore obviously refer to something that was visible in the Heavens to all the people of North America, Europe, the Middle East and Asia. It is the purpose of this book to identify this heavenly object. "And they do not know the future mystery, or understand ancient matters. And they do not know what is going to happen to them, and they will not save their souls from the future mystery." The Dead Sea Scrolls
