Brian Braun, a local Dallas photographer, believes he's hit Pulitzer pay-dirt when he receives an unusual call for an extraordinary photo shoot from a U.S. Senator. Afterward, however, Braun comes to realize his photographs have done more than record history. He's recorded one of the greatest hoaxes and politically devastating scandals that breeches beyond the boundaries of Watergate. The hoax is perpetrated on the American people by a private security firm that specializes in high profile political murder. Relying on his own streetwise wits, Braun has less than forty-eight hours to stay a step ahead of a highly motivated death squad and keep from being branded by history as the next Lee Harvey Oswald.
