Color the history and style of skateboarding! The Skateboarding Coloring Book contains 60 pages and illustrations of authentic skateboarders to color. Skateboarders from all over the world act as models. Street, ramp, downhill and slalom. The Skateboarding Coloring book lets you color the different styles in skateboarding and the development of the fashion over the past 40 years, from the Californian pole skaters and knee-high socks of the 70s to the relaxed, fashion-conscious Brooklyn skaters of the 2000s and daredevil tricks in Moscow. The Skateboard Coloring Book also offers you the opportunity to make your own board designs. The Skateboarding Coloring Book is perfect for all skaters on rainy days, and anyone who hasn't skated, but has dreamt of it. The Skateboarding Coloring Book lets you get closer to the dream, discover new sides and get ready to take that first step on the board yourself. The pictures in the Skateboarding Coloring Book are inspired by photos taken by skating photographers from the US and Europe, from the 70s to this day.
