Soap making is an art that has been used for thousands of years. It is a basic requirement for human life. Earlier on, soaps were created from different materials like clay, wood, ashes, and animal fat, etc. There was no concept of buying commercially produced soaps. Luckily, we can buy soaps at our local supermarket. It is very easy to buy one.

I love to make soaps at home. It is so much fun to experiment with new ideas. This book is the result of my experiments. It contains tips and ideas on soap making. I have also included ten soap making tutorials that will guide you. Follow all the instructions and in no time, you will be making soaps like an expert.

The best part of soap making is creativity. You can create any soap you want. Prepare refreshing soaps that will soothe your skin in a friendly way. Know all the ingredients involved. Buy ingredients in bulk and start your journey.

Here is a preview of what you will find in this book:

- Information about soap making procedures
- Tips & Precautions about soap making
- Complete list of soap making ingredients
- 10 Tutorials for making the desired soap
- A brief introduction to all soap making methods
