This “Fantasy of Manners” follows the lives and intrigues of four very different characters as they maneuver the cobblestone streets and glittering ballrooms of a city that never was. Nameless, but inspired by Elizabethan London, 18th century Paris, 1980s New York, and many others great cities both real and fictional, the setting of Tremontaine comes alive behind the colorful figures of Micah, Rafe Fenton, Ixkaab Balam, and of course: Diane, the Duchess of Tremontaine, a character well-met in the original series, but whose history has remained a mystery until now.
