Updated to reflect the most recent SATs, this manual offers college-bound students an explanation of all the important tactics and strategies for taking the SAT, as well as a detailed review of all test topics, a diagnostic test, and five full-length SAT practice tests with all questions answered and explained. Subject reviews cover critical reading, grammar and usage, and math, as well as detailed instruction in preparing and writing the required SAT essay. The book's additional features include an overview of the SAT, an explanation of its scoring method, and general study advice. The enclosed CD-ROM presents two additional full-length practice tests with complete solutions and automatic scoring.
