**La Guerra de los Cielos. Volumen 3 (Volume 3) (Spanish Edition)** Fernando Trujillo, César García

La guerra más antigua y devastadora de la existencia ha encontrado el modo de continuar, de extenderse por toda la creación. El Cielo y el Infierno ya no son los únicos escenarios para este terrible conflicto. Comenzó cuando el planeta se estremeció. Todos los habitantes perdieron la facultad de moverse, quedando resignados a contemplar impotentes cómo se desmoronaba el mundo. Al fenómeno lo llamaron la Onda y produjo cambios más allá de la comprensión humana. Ahora tenemos que sobrevivir a las consecuencias. Los ángeles y los demonios están entre nosotros, son reales, y nos han impuesto su guerra. Una guerra en la que somos insignificantes, una guerra que no creímos posible y que cambiará nuestras vidas para siempre.
