The Canadian Landscape / Le Paysage Canadien 2017: Bilingual (English/French]

Canada is a land of dramatic physical contrasts, shaped by glaciers whose moving ice has carved valleys, forged mountains and left behind crystal lakes and fine loam. In **The Canadian Landscape 2017**, world-renowned photographer J.A. Kraulis presents an awesomely expansive land that embraces almost every temperate and arctic ecosystem imaginable, from sweeping prairies and majestic mountain ranges to the vast inland waters of the Great Lakes. Kraulis's affinity with the natural world and his reverence for the land have allowed him to create an unforgettable record of the country we know as Canada. J.A. Kraulis is represented by Masterfile.

Le Canada est une terre de contrastes physiques marqués, façonnée par les glaciers dont les déplacements ont taillé des vallées, forgé des montagnes, creusé des lacs cristallins et laissé de fins limons. Dans **Le Paysage Canadien 2017**, le photographe de renommé mondial J.A. Kraulis présente cette terre incroyablement chaleureuse dont les frontières englobent presque tous les écosystèmes tempérés et arctiques imaginables, des prairies sans fin à des chaînes de montagnes majestueuses, en passant par les vastes étendues d'eau intérieures des Grands Lacs. L'affinité de J.A. Kraulis avec le monde naturel et son respect pour la terre lui ont permis de créer un portrait inoubliable du pays que nous connaissons sous le nom de Canada. J.A. Kraulis est représenté par Masterfile.
