He loves me. He loves me not. This is the confusion we have left with the next generation. When we read the newspaper or watch the news we are often shocked by the acts of today's youth. What we have failed to ask ourselves is what role have we as men played. Begging for an identity the youth of this nation has for the most part been void of the voice of its fathers. The Power of Dad challenges men around the world to lift up their voices. The Power of Dad will transform your life and revitalize the relationship that you have with your child. What you can expect to learn from this book: The power of a father's influence How to stop your past from hindering your child's future The power of an apology How to love yourself more so that you can fully love your child The eight mirrors of a man How to help develop your child's identity Brian Pruitt is the founder and CEO of Brian Pruitt Motivational. He is a highly acclaimed Motivational Speaker, Athlete, Author, and Entrepreneur. He has traveled across this country and others helping people overcome obstacles and accomplish their dreams. Brian has been married for over 12 years to Delicia, and they have two girls, Brianna Joy and Destiny Danae. Brian has spoken at men's conferences across the country and has worked extensively with America's youth. This book was inspired by the many conversations Brian has had with these youth about their relationships with their fathers. From these conversations, he realized that, like him, all fathers need some help and encouragement at better relating to their children. His hope is that this book is a guide to men on becoming better fathers.
