**The inspiring, true story of a top soldier who survived Jim Crow only to land in a struggle for survival beside his racist white captain after they were downed in Vietnam**

Raised in the segregated South, Ezell Ware was determined to excel beyond the lines drawn by white power brokers. He became the top recruit in his Marine training class; having grown up without running water, electricity, or sufficient food, he wasn't daunted by military life. He eventually earned a chance to join the Army's helicopter pilot program, realizing his dream of flying. It was a role that would change his life, and the life of an unlikely partner in valor at the height of the Vietnam War.

Downed by enemy fire while on a mission over thick jungles, Ware and his badly injured captain endured a three-week descent into hell, with one canteen and little defense against countless deadly forces. But when his captain revealed his membership in the Ku Klux Klan, their situation took a turn that surprised them both—and put Ezell on the road to becoming a general.

A unique memoir of heroism and humanity, *By Duty Bound* captures a crucial chapter in American history through the eyes of one of its most remarkable witnesses.
