MARSHAL BOOK 2 Harvey O. Minnick Jr.

The lives of humans and aliens become intertwined in this fast paced adventure story. Life on Earth will never be the same after the COMING OF MARSHAL, And MARSHAL BOOK 2 is filled with all sorts of misadventures, as the human heroes and aliens try to learn to work together. I try to put the reader in the middle of the action and sometimes the action gets intense, as it should in any good adventure story. The book is self censoring. More sensitive readers are advised when reader discretion is needed.
