When Eliza Bramble signs up for the Christmas Mountain Ski package with Marshal McKenzie, owner of Grizzly Adventures in Marietta, Montana, she's looking to escape. Her Bramble B&B Christmas blog has just gone viral, attracting the attention of a two-timing man who hurt her very badly. Getting out of town for Christmas is her only way to find peace. Instead she finds herself trapped on a vacation with a bickering couple and their two spoiled children as well as a young married couple who barely speak to one another.

The tension is almost unbearable - and then a blizzard hits, stranding them all in a remote ski lodge for the holidays. Christmas is looking like a write-off until Marshall suggests they make the best of what they have and work together. Eliza is surprised to find that the avid outdoorsman has a special touch with people...and with her in particular. Soon she realizes Marshall isn't fixing just Christmas but her broken heart, too.
