Stella: Star of the Sea Marie-Louise Gay

Stella and her little brother are spending the day at the beach. Stella has been to the sea before and knows all its secrets, but Sam has many questions. Does a catfish purr? Does a seahorse gallop? Stella has an answer for them all. The only thing she isn't sure of, and neither are we, is whether Sam will ever come into the water. Exquisite, evocative watercolours bring a diaphanous day at the beach alive in this perfect summer story. Gently humorous, *Stella, Star of the Sea* also captures the relationship between an older sister and her baby brother - a responsibility that can be both lots of fun and very trying.
