Sunwielder D. Wallace Peach

In a land on the brink of war, Gryff Worden finds his family slaughtered in the farmyard. Mortally wounded, he stumbles upon a timekeeper, a woman who tracks the infinite paths of each life. She offers him a sunwield, a medallion that returns him to the critical choices that altered his life's journey. Now his life remakes itself through the sunwield, returning him repeatedly to moments of decision and death, his old life gone, the purpose of the medallion around his neck forgotten. As he uncovers the power of the sunwield, new choices lead him on an epic journey through war, death, friendship, life, and love.
