The Matchmaker of Kenmare: A Novel of Ireland Frank Delaney

“And there’s a legend—she had only vague details—that all couples who are meant to marry are connected by an invisible silver cord which is wrapped around their ankles at birth, and in time the matchmaking gods pull those cords tighter and tighter and draw the couple slowly toward one another until they meet.” So says Miss Kate Begley, Matchmaker of Kenmare, the enigmatic woman Ben MacCarthy meets in the summer of 1943.

As World War II rages on, Ben remains haunted by the mysterious disappearance of his wife, the actress Venetia Kelly. Searching for purpose by collecting stories for the Irish Folklore Commission, he travels to a remote seaside cottage to profile the aforementioned Matchmaker of Kenmare.

Ben is immediately captivated by the forthright Miss Begley, who is remarkably self-assured in her instincts but provincial in her experience. Miss Begley is determined to see that Ben moves through his grief—and a powerful friendship is forged along the way.

But when Charles Miller, a striking American military intelligence officer, arrives on the scene, Miss Begley develops an intense infatuation and looks to make a match for herself. Miller needs a favor, but it will be dangerous. Under the cover of their neutrality as Irish citizens, Miss Begley and Ben travel to London and effectively operate as spies. As they are drawn more deeply and painfully into the conflict, both discover the perils of neutrality—in both love and war.

Steeped in colorful history, *The Matchmaker of Kenmare* is a stirring story of friendship and sacrifice. *New York Times* bestselling author Frank Delaney has written a lush and surprising novel, rich as myth, tense as a thriller, and like all grand tales—harrowing, sometimes hilarious, and heartbreaking.
