The Oxford Companion to English Literature Fourth Edition COMPILED AND EDITED BY SIR PAUL HARVEY; REVISED BY DOROTHY EAGLE

According to the general scheme of the work, as designed by the publishers, two main elements are included, in alphabetical arrangement. The one is a list of English authors, literary works, and literary societies, which have historical or present importance. The other element is the explanation of allusions commonly met with, or likely to be met with, in English literature, in so far as they are not covered by the articles on English authors and works.
