Two Howls (Alphas Book 4) Sean Michael

Max is on the run, but is he running from his past, or toward his future? Only Ulf knows...

Werewolf Max knows desiring males is wrong, but he can't help himself. When his pack nearly kills him in an attempt to cleanse him, Max runs. Jumping on his motorcycle, he heads north.

Ulf has lived on his own in the wilds of Northern Ontario for a long time. When he catches the scent of a stranger in his territory, he's angry at first, until he realizes that Max is more than just another werewolf. They're mates.

Ulf must make Max believe that two males can be mates, but just as he's about to succeed, Max's past catches up with him. Will the home they've been hoping to build together be lost for good?
