Sizzling Reads YA blog ~ This book was amazing! I didn't expect to love it as much as I did. From the very first chapter I was as much in love with Sarah and Angel as they were in love with each other.

C.C. Jackson Reviews ~ Forever Mine was heated and exciting. I literally could not get to sleep because I couldn't stop thinking about this book. The best part, No werewolves or vampires anywhere! Finally an awesome book about real people with real circumstances.

Seventeen-year old Sarah's life is turned upside down when her single mom is sent to jail. She's forced to move, leaving behind everything she's ever known, including her best friend Sydney. Lost and bitter in a new school, her one goal is to save money and move back home. Then she meets Angel Moreno.

Enigmatic but gorgeous, Angel is almost too good to be true. Except for one thing, his archaic belief that guys and girls can never be "just friends". The problem? Sarah's best friend Sydney is not a girl.

With their unexpected romance intensifying to places neither ever experienced, how long can Sarah keep Angel in the dark about the guy waiting for her back home?
