Last Chance: Sunscapes Trilogy Book 1 (Volume 1) Michelle O'Leary

Corrupt and malign, the corporation Quasicore has dominated Del's life for ten years, using his father's debt and his brother's safety as leverage to make him do their bidding. Forced into acts that become progressively more shady and criminal, Del finally rebels when they demand the unthinkable. To kill.

Desperate for a way out, he flees the Core, only to find himself entangled with the dazzling and dangerous Shays. Sin Shay's offer of protection seems too good to be true and her motives are suspect. Is Shay Enterprises simply a rival of the Core or a partner in crime? Is Sin's offer of a new life his last chance at redemption or just another version of hell?
