Motion Picture Exhibition in Washington, D.C.: An Illustrated History of Parlors, Palaces And Multiplexes in the Metropolitan Area, 1894-1997 Robert K. Headley

From inauspicious beginnings in the kinoscope parlors and nickelodeons to the movie palaces of the golden era, and finally to the pared down multiplexes of today, this is the history of motion picture viewing in the nation's capital and vicinity. The research is supported by numerous interviews. The book includes a 200-page listing of all the movie theaters in the area past and present, with data such as location, dates of operation, architect, and seating capacity, as well as a summary of each theater's history and current status. Maps, drawings and photographs (most of which have never before been published) round out this comprehensive study.
