Paris Ian Littlewood

Here is a book for anyone whose pulse quickens at the thought of a café terrasse at dusk or a métro sign on a crowded boulevard. The Paris that comes alive in this Literary Companion is the city that writers from Rabelais to Hemingway have observed and celebrated for the past five hundred years.

By interweaving extracts from their work with his own informative commentary Ian Littlewood offers the reader, district by district, a wonderfully evocative glimpse of the streets, squares and buildings of Paris.

Montaigne, Gibbon, Balzac, Hugo, Dickens, Thackeray, Flaubert, Zola, James, Miller, Rhys, Orwell, Simenon, Bellow are among the many writers whose work is represented here. The book also contains maps and illustrations.

‘A perfect book to remind one of the streets of Paris.’

Evening Standard

‘The only complaint is that it is too short.’

Spectator

‘Marvellously rich reading.’

Sunday Telegraph

From reader reviews:

Diana Sturgill:

Nowadays reading books become more than want or need but also work as a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge your information inside the book that will improve your knowledge and information. The data you get based on what kind of reserve you read, if you want get more knowledge just go with schooling books but if you want experience happy read one having theme for entertaining such as comic or novel. The particular Paris is kind of reserve which is giving the reader capricious experience.

Mark Gatling:

Information is provisions for individuals to get better life, information today can get by anyone at everywhere. The information can be a information or any news even restricted. What people must be consider any time those information which is inside former life are hard to be find than now's taking seriously which one would work to believe or which one the particular resource are convinced. If you have the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take Paris as the daily resource information.

Judith Cole:

Do you have something that you want such as book? The guide lovers usually prefer to decide on book like comic, brief story and the biggest the first is novel. Now, why not seeking Paris that give your pleasure preference will be satisfied by reading this book. Reading behavior all over the world can be said as the opportunity for people to know world much better then how they react to the world. It can't be claimed constantly that reading habit only for the geeky individual but for all of you who wants to end up being success person. So , for all you who want to start examining as your good habit, you may pick Paris become your current starter.

Felicia Sharpton:

This Paris is great reserve for you because the content which can be full of information for you who else always deal with world and still have to make decision every minute. That book reveal it data accurately using great coordinate word or we can declare no rambling sentences inside. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but hard core information with lovely delivering sentences. Having Paris in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no reserve that offer you world inside ten or fifteen moment right but this publication already do that. So , this can be good reading book. Heya Mr. and Mrs. active do you still doubt in which?
