## **What You Would Like to Know About Karma** J.P. Vaswani

Is God fair? This is a question that haunts us all at one time or another. What can help us answer this question is an understanding of karma—the eternal, universal law of cause and effect, which is at the very root of Hindu philosophy and thought. "It is written in the stars," people say. "I can't change my destiny!" You can change your destiny! That is the message of this brilliant, incisive book which explains the complex and subtle law of karma in simple and clear-cut terms. Dada J.P. Vaswani, with his profound wisdom and practical approach, helps us to come to terms with the law of karma: God is too loving to punish, too wise to make a mistake, he assures us. The law of karma is not meant to punish us; and man is free to shape his own destiny through right living and right thinking! Karma is a much misunderstood term today; many of us equate it with fatalism and pessimism. Dada J.P. Vaswani's book will inspire you to become the architect of your own destiny, by creating good karma.
