## **There are many more legitimate reasons to be anonymous and protected.**

Please don't waste money on the other books out there about creating a new identity, name change, etc. Those other books are limited and usually advise you to do something illegal.

It is your legal right to use any name you like but you must go about it legally and legitimately. In this age of computers and data sharing, processes that worked in the past DO NOT WORK TODAY. Big Brother is watching closer than ever.

The process is anonymous and uses the convenience of the Internet or a phone call. You don't have to appear in person anywhere.

The author used this process to start a new anonymous life. Along the way, he discovered he also had the opportunity to become the person he always wanted to be and live the lifestyle he always wanted to live.

**You too can live anonymously yet openly with complete freedom, privacy, and with an unlimited future.**
