From new author and bridal designer, Yvette Klobuchar! Is Juliana Belle, bridal dress designer extraordinaire, destined to have her fairy tale ending or a sad love story? Juliana Belle has a knack for designing gorgeous wedding gowns, a talent inherited from her iconic mother along with the keys to the family business. So when eager brides race to Belle's Bridal Shop, a posh bridal salon in Chicago, in search of their dream dress, Juliana must keep their emotions in check while managing a team of temperamental seamstresses. These daily challenges are merely one of the many pins in the pincushion for Juliana, a single, working mother trying to fill a huge void left by her former spouse. Still nursing her wounds from her failed marriage, Juliana avoids sharing her marital status for fear of spooking her wide-eyed brides with the sad reality that storybook weddings can end up in the discounted fiction aisle. Even so, Juliana stubbornly clings to her fantasy with her new love interest. Absorbed by the notion that she has finally found a down-to-earth man to build a life with, Juliana ignores the warning signs. Can she find a way to love again and have a family, or is she a hopeless romantic meant to live her life married to her business? This romantic comedy/chic lit novel is sure to delight women of all ages, as Yvette Klobuchar takes the reader through the fun adventure of choosing, creating, and designing a wedding gown, along with all of the other details of planning a wedding, the joys of being a single mother, and owning a business.
