**FTC Robotics: Tips, Tricks, Strategies, and Secrets** The Pope John XXIII Regional High School Robotics Team

(This is the first edition. The second edition for the 2011/12 season is now available and is recommended.)

FIRST Tech Challenge is the fastest growing robotics competition for High School students, but there has never before been a single volume to instruct new and veteran teams alike on how to navigate the competitions' rich complexities. This book contains the accumulated wisdom of several champion teams who have won major state level championships as captain teams. The volume is organized into sections covering every aspect of FTC competition, each section containing bite-sized chunks of information: a single sentence describing a tip, trick, strategy, or secret used by top ranked teams, followed by a paragraph or two of examples, explanations, pictures, or diagrams. Hundreds of these recommendations are detailed in this book. By following these recommendations, your team is sure to improve, and maybe even become a champion team as a result!
