Introduccion A La Linguistica Espanola (3rd Edition) (Spanish Edition) Milton M. Azevedo
Introducción a la lingüística española provides a systematic overview of key areas of Spanish linguistics, including the sound system, forms of words, syntactic patterns, the development of the language, and regional, social and contextual variation. Written entirely in Spanish from the viewpoint of contemporary descriptive linguistics, it employs a flexible approach that incorporates trends from different theoretical perspectives as well as the most recently published research.
