How do we teach with rigor to our youngest learners? How do we implement standards that spell out quite clearly what students must know but do not give us the methods nor materials that help our students achieve such skills? This professional resource proves practical routines and developmentally appropriate activities that foster an environment where our youngest learners can thrive in mastering core kindergarten content along with the Common Core standards. The routines and activities in this book have been thoroughly classroom-tested and aligned with best practices. The authors show you how to create a magical kindergarten environment that creates a community of confident learners full of excitement and enthusiasm!
