Sharing Jewel P. S. Love

David and Daniel Tanner were identical twins who shared everything. Little did Jewel Jennings know that when she married her wealthy, handsome, and charming husband David, 'sharing everything' meant even ... her. Can she resist being swept up in her brother-in-law's charms which are as potent as her husband's? As Jewel internally battles the temptations--that not only the brothers offer her, but those of her own fantasies, inspired by their constant flirtations and seductions--is her willpower strong enough to resist that which her dark side secretly desires and lusts for?

Beautiful and sexy Jewel finds her conventional and conservative world turned completely upside-down as the charismatic twins play their masterful games of seduction to entice her into their erotic bohemian lifestyle.
