A New York Times Book Review. Best Book of the Year! National Bestseller! The Emperor's Children is a richly drawn, brilliantly observed novel of fate and fortune-about the intersections in the lives of three friends, now on the cusp of their thirties, making their way-and not-in New York City. In this tour de force, celebrated author Claire Messud brings to life a city, a generation, and the way we live in this moment. Flawlessly drawn...Engrossing...Messud's novel, so arch and elegantly phrased, is a chance to enter a world in which everything glistens with her wit, like waking to an early frost: refreshing, enchanting and deadly.
