Tras el cristal

Mª D. Madrid

Tras el cristal Mª D. Madrid

Con frecuencia, los recuerdos se pasean caprichosamente, vaporosos y escurridizos, inmiscuyéndose en el presente, para, acto seguido, desaparecer entre los vericuetos de la memoria. Un día, se te cruzan en el camino y decides retenerlos, pero huyen como los fantasmas cuando amanece; únicamente, sus peores enemigos, la tinta y el papel, son diestros en su caza y captura, acorralándolos contra el papel, como si fuesen delincuentes; pero, nada más lejos de la realidad, son débiles y delicados y como tal, hay que tratarlos; están finamente envueltos con las capas de la vida y, éstas, deben quitarse, poquito a poco, con cuidado, para no dañar su preciado contenido: un bebedizo embriagador, que te transporta etéreamente al desván de la memoria. Deambulas perdida, entre las sombras del tiempo, buscando, recabando, hurgando cualquier dato, por pequeño que sea, hasta vislumbrar algún indicio que te esclarezca las ideas. A partir de ahora, le cedés el turno a la palabra escrita, que se encargará de dar una bocanada de aire fresco a un ambiente enmohecido; arrastrando, a su vez, telarañas y polvo acumulado por los años transcurridos; una cálida luz se abre camino por las claraboyas del desván de los recuerdos. De pronto, todo comienza a cobrar coherencia; son paquetitos apilados, cuyo contenido puede hacerte sonreír o, tal vez, llorar; son los capítulos de la vida, los cimientos de nuestra existencia, la pauta que ha marcado nuestro devenir. Las palabras, los matices y el aura que te rodea, mientras escribes, te devuelven, en un acto casi misericordioso, las piezas perdidas del puzzle que es la vida. Todas las piezas encajan y es cuando te das cuenta del porqué no podrías haber sido de otra forma; eres así, porque los recuerdos están ahí, ahí debajo, son las raíces del árbol de la vida.
