USA Based Wholesale Directory 2015: Over 800 USA Based Wholesale Listings Diana Loera

We're back with our latest updated USA Based Wholesale Directory. Over 800 USA based wholesale listings including many new listings since the previous directory was published last year. Tools, automotive, ecigs, smoking supplies, decorating, books, candles, jewelry, clothing, electronics, purses, wallets, pet supplies and much much more. Ideal for flea market vendors, EBay selling, church and school fundraisers and of course- anyone who wants to get the best wholesale deals. All sources are here in the USA. Each listing contains a brief description and a web site address. If you want Wholesale Sources - this is THE directory. My husband and I have been selling successfully at our local flea market and I started compiling names of wholesale companies. Finding USA based wholesale was not easy at first. It was important to us to have fast USA access for delivery purposes and also in case we wanted to call and ask questions. If you are re-selling on eBay or at the flea market you need it NOW not in 6-8 weeks. Ideal resource for school and church fundraisers also. The companies in this directory are right here in the USA and ready to fill your wholesale order. The directory is divided in categories and there is also a pretty large general section. All in all- there is practically everything from A to Z available at wholesale prices. The softcover edition of this book is a big 8 1/2 by 11 inches in size as personally, I don't like little books and squinting at small print so we had this book made so a person has a good sized book that has plenty of room for highlighting and making notes in the margins. By the way, this book just isn't for people selling at flea markets or on EBay or doing fund raisers - if you are looking for the best prices - this is a great wholesale resource. Thank you to all of the people who have bought past editions and also those who have sent in their stories about selling merchandise on EBay and at flea markets. My husband and I have enjoyed reading your emails and appreciate your business very much.
